To Whom It May Concern:

The Laborer's Local Union 66 is proud to recommend Aurora Contractors for any of your construction projects. We have maintained an impeccable relationship over the years and are happy to assist them in this regard.

Aurora has displayed excellent managerial and communication skills, both of which are essential to the efficient progress of any construction project. The "Hands On" approach of the ownership and management team accelerates the decision making progress and fosters teamwork between the trades and the professionals of every project.

The integrity of Aurora Contractors and the skills of their management would benefit any owner on any construction project.

Very truly yours,

  
Stephen Flanagan  
Business Manager  
Secretary/Treasurer
